#### LETTER OF APPRECIATION

Dear Social Justice and Leaders Team,

The management, staff, parents, and children of Sonneblomland Crèche would like to extend our deepest gratitude and sincere appreciation for your generous donation of clothing to our centre and community.

Sonneblomland Crèche serves as more than an Early Childhood Development Centre. We are a place of hope, care, and support for many families within our community. Every day, we witness the challenges faced by some of our parents and community members, and we strive to assist wherever possible. Your donation has enabled us to reach beyond our classrooms and provide practical support to families who are in need.

The clothing items were received with great appreciation and gratitude. For many families, this contribution represents more than clothing—it is a reminder that they are seen, valued, and supported by caring individuals and organizations within our community.

At Sonneblomland Crèche, we believe that when families are strengthened, children flourish. By assisting parents and community members, you have indirectly contributed to the wellbeing, confidence, and stability of the children we serve. Your kindness has brought smiles, comfort, and renewed hope to many households.

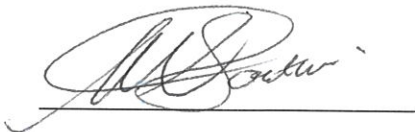

We are truly grateful for your willingness to partner with us in making a meaningful difference in the lives of others. Acts of generosity such as yours help us continue our mission of nurturing not only young children but also supporting the families and communities around them.

Thank you for sharing your compassion, generosity, and community spirit with us. Your contribution has left a lasting impact, and we sincerely hope that this partnership may continue in the future.

"Whoever is generous to the poor lends to the Lord, and He will repay him for his deed." – Proverbs 19:17

With heartfelt thanks and appreciation.

Yours faithfully,

Magdalena P. Fortuin

Principal
